We made a choice several years ago to be a restaurant that offers our neighborhood guests quality food with fresh ingredients and amazing service from friendly faces. 20 years later, we are still going strong and have been able to maintain our success while never sacrificing our quality. Today, we welcome you into our restaurant and even into our kitchen, where you'll see our cooks make the daily soups and sauces from scratch. Your meal, prepared right before your eyes, will be made with homemade local breads and produce that's delivered fresh daily. The meats we use are fresh, never frozen or processed, and always cooked to order. Enjoy!
